# MICROOFFERS CENTER APP by Moneria

Helps merchants/small business owners create and post their offers instantly online as coupons and also scans and completes the offer after service.

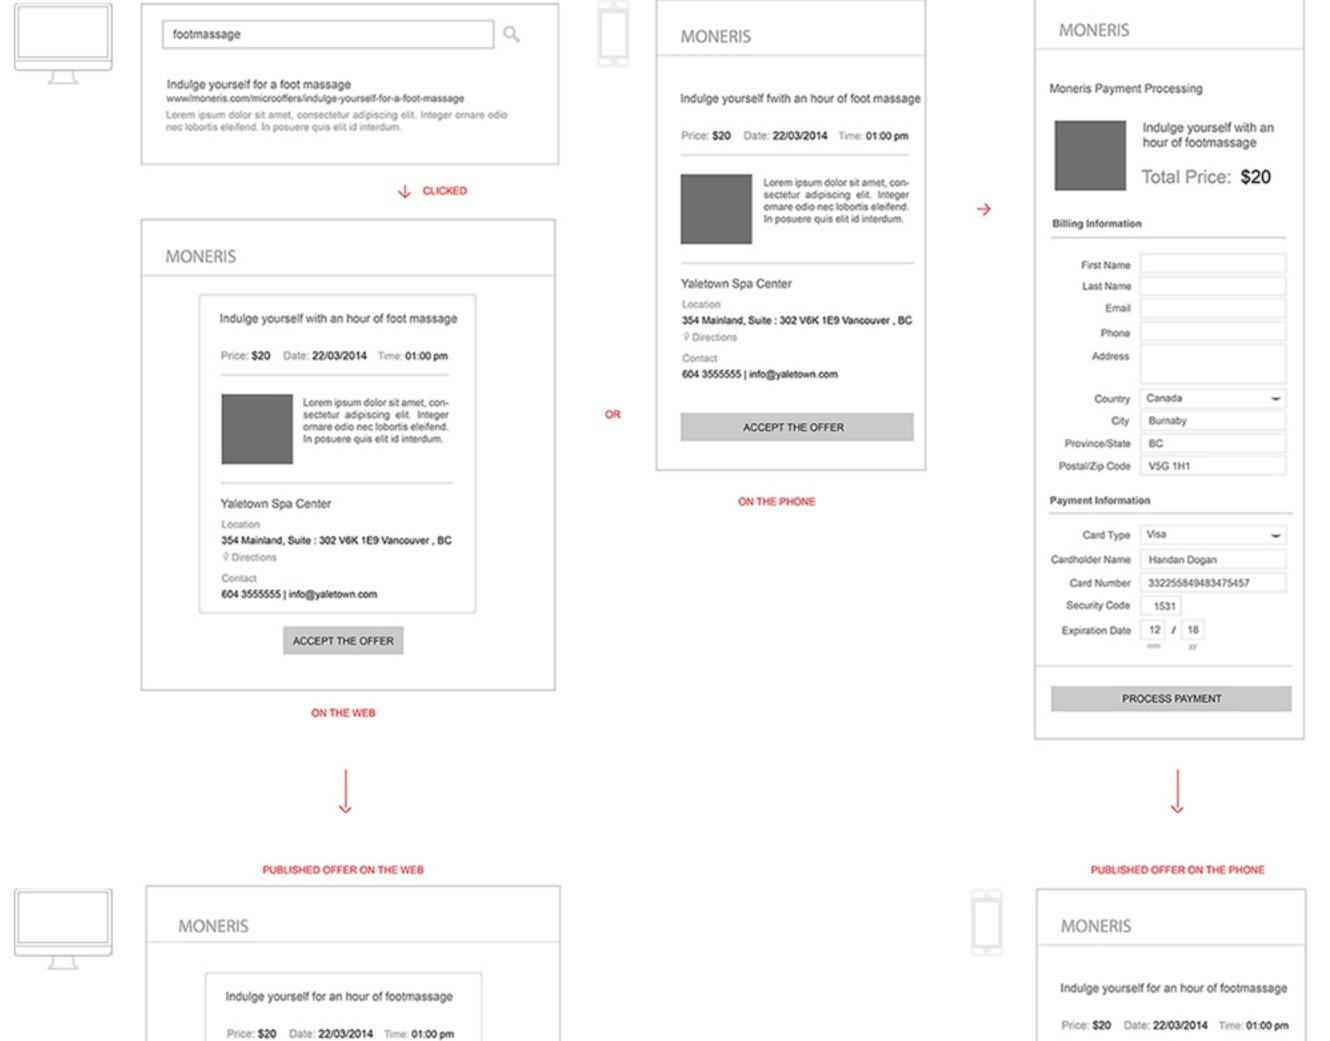

## Microofers Center TM is a new App by Moneris, which allows merchants easily and quickly create time sensitive discounts and point collection offers in various options for their business and post them instantly online. It also has a tool that scans and completes the downloaded offer coupons when buyers bring them to the merchants store to get their purchased service
